1. Work more closely with the Student Assembly in identifying issues on which both organizations can work together.

2. Work with the New York college transfer officers’ organization (NYSTAA) to find ways to increase the success rate of community college students when they transfer as entering juniors.

3. Explore issues and opportunities presented by Carrie Hatch regarding the SUNY library initiative.

4. Explore alternative methods for student retention in lieu of (excessive) absences due to H1N1-related illnesses, and monitor the subsequent effects on college life and student success.
